Girls Go Circular

We hereby certify that

Orion Barjamaj

has successfully completed the online learning module on

Artificial Intelligence and the Circular Economy

on the Circular Learning Space, powered by the EU-funded Girls Go Circular project, and has acquired the following skills at an **Highly Specialised Proficiency Level** according to the European Digital Competence Framework for Citizens (DigComp 2.2):

1. Searching, evaluating, and managing data and digital content;
2. Interacting, sharing, and collaborating through digital technologies;
3. Developing, integrating, and re-elaborating digital content; copyright and licences;
4. Protecting the environment;
5. Identifying needs and technological responses; identifying digital competence gaps.
